.....from Henry

For many people humility doesn't register on their list of personal goals. It's assumed that being humble means being willing to be stepped on. Who needs that?

Jesus shows us the ultimate example of humility. God's Word tells us, "In your relationships with one another, have the same mindset as Christ Jesus: Who, being in very nature God, did not consider equality with God something to be used to his own advantage; rather, he made himself nothing by taking the very nature of a servant" (Philippians 2:5-7).

Jesus demonstrated the greatest humility of all. Though eternally with the Father, He chose to bend beneath a cross in love so that through His death He might lift any who receive Him into the joy of His presence.

We imitate Jesus's humility when we seek to serve our heavenly Father by serving others. Jesus's kindness helps us catch a breathtaking glimpse of the beauty of setting ourselves aside to attend to others' needs. Aiming for humility isn't easy in our "me first" world. But as we rest securely in our Saviour's love, He will give us everything we need to follow Him.

# From St. Benedict's

## An Evening with Harana Blue

On Sunday evening the 6<sup>th</sup> May, 78 friends and family gathered at St. Benedict's to be entertained by local musicians *HARANA BLUE*. Guests were treated to nibbles, champagne or orange juice upon arrival. They sat at tables in the main body of the church to listen to the first bracket of songs. After about an hour, guests were served ribbon sandwiches, cocktail pastries and other hot finger food. The band played again for about an hour before tea, coffee and slices were served.

Many thanks to everyone who helped remove the chairs and pews, then set tables and chairs up in the church for the concert. Thank you to Elaine and Yvonne for the lovely table decorations and to Deane, Rob, and Tom for being our drinks waiters. Thank you also to Robert Cook, who was our M.C. for the evening. Other thanks go to all who helped clear the tables and wash up after the concert; all who donated food and drinks for the evening; to Claire Marillo for donating her fee back to St. Benedict's and to all who supported us by coming and bringing their family and friends. \$1,860 was raised.

## Pastoral Care Workshops

The fourth and final workshop on Pastoral Care was held recently at St. Benedict's. Although largely aimed at our MD Licenced Lay Ministers and clergy, it was attended also by other members of the Ministry District and one member of the Uniting Church. Those who attended found the course to be really interesting and helpful and we all gained further insight into pastoral care. Our Diocesan Ministry Development Officer, Gael Johannsen, led the workshops and she will continue to offer courses throughout the Diocese, including on Yorke Peninsula. We hope to have "The Day of Luke" on Friday 9<sup>th</sup> November at St. Benedict's. This will be open to all members of the Ministry District and focuses on the readings for 2019 in the Year of Luke.

## Mothers' Union

On Wednesday 13th June, St Benedict's Mothers' Union held a meeting at the home of Bev and Deane Litster. Twenty four members and friends attended to hear Bob Warren talk on Israel and the surrounding nations. He and Sue went on holidays in August about 6 years ago and the temperature was 49.9C degrees most days. Bob wanted to go when it was warm! He told of the many soldiers with guns on guard everywhere they went. They visited the religious sites and found them very moving. They also went into a darkened room and then the ceiling lit up with over one million stars representing the Jewish children killed in the holocaust and every child's name was recited. Bob still gets emotional when telling the story. They also went through the Sahara Desert with an armoured car in front of them and one behind them and an armed guard on the mini bus they had hired. It was a very profound and interesting talk and we say thank you to Bob for sharing this with us. Afternoon tea and fellowship followed.

*Lorraine Rice, MU President*

The next **Chat n Chew** will be held on Friday the 17<sup>th</sup> August at 10.00am at the Rectory.

All ladies are welcome to attend and bring a friend

Jenny will present a talk on Tasmania and focus on her home town of Perth and its surrounds

## From the SYP Cluster

The installation of the Yorketown OP. Shop ramp has been completed by our S.Y.P. Committee, together with support from the Yorke Peninsula Council and S.Y.P. Community Shop.

The project was costed at \$5,700 and provides much needed access to people with prams, wheelchairs and walkers.

Tim Cross was the builder and his standard of work is a credit to him.

## Our new rectory family - Fr. Andrew Lang & Louise

### Our journey up to now...

Andrew was born in Melbourne, raised in Geelong and returned to Melbourne for Uni. His parents are from South Australia. In 1980, Andrew moved to Tasmania, to work at Temco (part of BHP). Here he had the opportunity to live on a small holding on the Tamar river. It was here that Louise and Andrew met and married.

Louise grew up in Launceston, Tasmania. After a fairly regular schooling she worked towards a qualification in education. This was interrupted slightly by her marriage to Andrew and then later by the birth of their first child, Oswald. During this time they both completed evening classes at the local Missionary Training College and not long after this they were accepted as students to study at the Christian Service College, Kumasi in Ghana, West Africa. Two years studying and living in Kumasi was a very stimulating and influential period in Louise's life; during this time the family was blessed with the addition of Esther.

The family returned to Australia, and in 1994 Andrew was ordained after studying in Morpeth. Curacies followed in New Town (Hobart) and Launceston. After the birth of Rupert, we moved to our first parish at Cressy. Later Andrew was asked to look after a neighbouring struggling parish ending up with 12 centres. Louise started working with the Diocese of Tasmania as a Field Worker promoting Anglican mission agencies, ABM and CMS in particular. As this position came to an end the local school chaplaincy became

vacant and Louise served as school chaplain at two country district high schools for two years before the family moved to Victoria. Over this time Louise became involved in the Mother's Union and served on the Executive of MU Australia. In 2004, the family moved to Horsham. Andrew was the Parish Priest and continued to engage with the community through Scouting. Louise worked in Emergency Relief at the Christian Emergency Food Centre, Emergency Housing with the Salvos and cooked at the best fish and chip shop in town! She volunteered as a CRE teacher, delved into Scouting and worked on the local Community Radio sharing in the presentation of an hour show "Alive in Faith" on behalf of the Anglican Church.

In 2007 we moved to St Francis in the Fields, Mooroolbark. Louise worked for 3 months for the YMCA and then started with Anglicare Victoria, working firstly as a coordinator of a neighbourhood house in Clayton and more recently as the Team Leader Homeless Support Services. In 2016, Louise was made deacon (distinctive) and continues to exercise ministry with Anglicare. Andrew continued his service in the community, especially through involvement in the Celebrate Mooroolbark Family Festival and received Quiet Achiever recognition in 2017. Since ministry ended at Mooroolbark, Andrew has done some locum work and assisted with pastoral work at St Peters, Eastern Hill.

Although we will leave our children in Melbourne, we are looking forward to returning to life in a rural ministry situation and the new challenge that the Ministry District will provide.
