The Meeting Closed with The Grace at 1.30 pm.

### **Ministry District Chairperson**

In the past financial year the Ministry District Committee met Quarterly plus the AGM in August 2021 - at Minlaton.

These meetings provided a forum to canvass new ideas, review past achievements and begin to think of the possibilities for the future. In particular, more interaction with the people from Maitland, Point Pearce and Ardrossan and the smaller coastal communities to encourage cohesiveness and a sense of belonging.

The Covid-19 pandemic has impacted us all in various ways. I commend those who have taken particular care to keep themselves safe and in doing so have helped to keep others safer. Large gatherings were not encouraged but some events were possible using covid-safe protocols.

Father Andrew Lang has continued to record services for replay on YouTube. Thanks go to all the people who willingly participate in those presentations.

“The Connection” has continued as a unifying point of contact for us all. Anne Ford, our former editor, has moved to Burra and the task has been taken on by Fr Andrew. We are grateful for Anne’s generous contribution and wish her and Michael well in Burra. To ease the workload on the photocopier people are encouraged to receive emailed copies or read online at <http://anglicansonyorkes.org.au/the-connection.html>

Both the Yorketown Rectory and the Maitland Rectory are being treated well by the current tenants. Some maintenance issues remain at both sites.

Annual fire safety checks in all MD churches and associated buildings were done in October.

Jan Henery has been placing regular advertisements in the YPCT for Anglican Services and this continues to work well. Jan’s diligence and efficiency are greatly appreciated.

The Flying Angel Centre in Edithburgh has not been attended by any seafarers during the pandemic until recently. June Harrison and her small team of volunteers have nevertheless made the crews of visiting ships welcome with gift bags of personal care items. See her report for more details. Support from the wider Ministry District members would be gratefully received now that crews are able to get off their ships.

An opportunity to use the Flying Angel room for community social activities in the afternoon of second Thursdays has been trialled with mixed success.

Repairs to the walls of the Warooka St James vestry have finally been completed. Wayne Pring has done wonderful job of restoration and has melded the new with the older stonework very well.

The area at the back of St Neot’s church has a community garden that is well under way. The cover for the gazebo has arrived in time for summer.

Our budgets are barely holding up at the moment and some centres are dipping into their reserves to meet their monthly payments. This is not a long term strategy. Supporting a full-time priest will require some creative thinking around fundraising into the future for most congregations.

Bruce Cook has retired as our MD treasurer. He has kept a steady hand on our finances for the past 21 years and is now Acting Treasurer for the past year! We may need to pay an accountant to maintain our books in future because despite numerous enquiries no-one has offered to take on the job.

Thank you to Venerable Andrew Lang and Deacon Louise Lang, Reverend Anne Ford, Reverend Christine Smith, Fr David Amery, Fr Ted Horne, and to all the LLM's who faithfully lead worship in various places when a priest cannot be present. Thank you too to the Committee members and the many others who keep our Ministry District and its churches in good spirit.

## **Clergy**

### **District Priest**

It is my great pleasure to present a report for the Ministry District for 2021 to 2022. In some ways I find this a difficult report to write as July 1, 2021 seems so long ago or that it seems that so much has happened. As we come out of the restrictive Covid experience, we have not returned to the way things were, as there is still an underlying uncertainty with life. We can only really plan factoring in uncertainty. It is now not uncommon for us to have members of our Ministry Unit taken out with Covid, although most have not been severely impacted. As a particularly vulnerable population, this is a worry for us all, but our practices of covid hygiene appear to be holding up. (This is not the time to ease up). One positive has been the weekly production of a pre-recorded service each week. It attracts a small but dedicated audience. We seem to be finally mastering the art of broadcast a service on the fourth Sunday of the month as part of the Diocesan programme. Services gather 150—200 views regularly.

Gradually over the time we are starting to look at ways to expand our activity. Particularly impacted has been our fund-raising activities, although we have had a number of new ventures attempted including a Quiz night at St Benedict's (incidentally this was won by the SYP group). We will need to continually explore innovation over the coming year, particularly as we are coming under increasing pressure financially.

Last October, we farewelled Michael and Anne Ford as they took up the next part of their life journey in Burra. Michael was a hard worker for the district and St Benedict's holding a number of positions both at the time of his departure and also over the past years. Anne's departure impacted the District deeply. Not only did Anne take on much pastoral work for Minlaton and the Central Cluster (Stansbury, Port Vincent, Curramulka, Mount Rat), but she led services in a number of churches across the district and a number of other ministry activities. We have been fortunately able to maintain the Sunday pattern. David Amery has been able to step up and take additional services. Ted Horne, Christine Smith and Louise Lang have also taken up a extra regular services to help keep the services going. I do thank my clergy team for all that they do and our LLM's without whom we would not be able to keep up the engagement with our centres. Besides Michael, Kirsty Dinnison also ceased as a LLM, but we welcome Jill Huntley to the team.

I do also thank all who have served on vestries, as wardens, reading or preparing for worship, maintenance, cleaning and ground keeping etc. These are they who have made this ministry unit one of the best in the diocese. Your hard work is notice even if it may not always be credited

I think a special note needs to be made of the contribution of my wife the Reverend Louse Lang to the ministry of the district. In spite of having more than full time employment, she has continued to pick up the things that need to be done when others give them up for what ever reason. Whether it be catering, administration, study groups, pastoral care or leading of worship she makes herself available. I think it is important to remind the district that she is not paid for this work and this is a gift from our family to the district.

Our ministry continues to the Aged Care facilities, although this has been restricted because of various interpretations of Covid Regulations. Ted, Christine and David, provide backup for this valuable engagement with around 60 people each month.

With the retirement of Bishop John on July 3, the diocese and our ministry units are in a type of holding pattern waiting in expectation for our new Bishop. The process should see a new Bishop arriving around February 2023. As Senior Staff, I am finding that there is an additional workload over this period. I thank the district also for its indulgence as I am dealing with family issues in Melbourne. I believe there is light at the end of the tunnel, and I am expecting that things will become a little easier over the next twelve months.

Andrew

### **District Deacon**

The last twelve months have been very busy, it was great to complete my studies in Supervision through St Barnabas College in Adelaide and graduate earlier this year. I did some studies earlier this year looking at Indigenous Theology which has been excellent! I am looking forward to learning more!

My work in both Yorketown Area School and Curramulka Primary Schools has continued working roughly four days a week. At Curramulka I have spent some time using Kimochis to increase the Junior Primary's emotional intelligence, and at Yorketown I have been busy establishing and coordinating a new playgroup called PALMS. In term 2 I had the pleasure of working at the Years 10-12 Senior Careers Camp in Adelaide. I continue to provide support for students, staff, and families at both schools. I have been a part of the SUPA team and we have planned for a couple of activities working with our local churches.

My role as Anglicare Development Coordinator has really taken off! I have joined a Provincial working group looking at the issue of Domestic and Family violence and how we in the Anglican church deal with it. Each of our churches and Op Shops will be receiving posters in the next couple of months to display in a strategic place. I have also been part of Anglicare Network conversations around potentially establishing a youth Foyer in Willochra as well as working towards a Cultural Capability Framework across the network. I am working

towards forming a Reconciliation Action Plan for the diocese which can be adapted into a plan for each ministry district and parish. Locally I have joined the SOS Yorkees group which focus on stamping out suicide. I have also had a number of opportunities to provide emergency assistance to a few people with need.

On the diocesan front I have continued to act as the clerical secretary for Synod and last year was elected to represent the diocese at General Synod which met on the Gold Coast in May. I have continued to support an ordination candidate as Examining chaplain and I was thrilled to be at her ordination in May at St Barnabas in Clare. I was honoured to be asked to fill in for Anne Ford, as Bishop's chaplain at the laying up of his Pastoral Staff on early July.

Our book circles have continued we have spent some time considering ABM's *A Voice in the Wilderness*, looking at the Uluru Statement of the Heart, we are now moving on to *The Book of Forgiving* written by Bishop Desmond Tutu and his daughter Mpho Tutu.

I look forward to working with you all in our communities and various ministries in the next year!

Louise

### **St James, Ardrossan**

Statistically our average attendance for Sunday Services was 6, 8 attended Christmas Eve, 7 on Good Friday, 11 on Easter Sunday with 12 regular Sunday Services during the year.

On May 8 and again on May 23 two Heritage walks were organised by the Ardrossan Museum, which included the building of St James. We opened the door and when seated Meg spoke on the history of the church including of course the stained-glass windows, 32 people in all were most appreciative before resuming their walk.

I would like to thank our local priest Chris Smith for her liturgical leadership and guidance throughout the year at St James. Thank you to Andrew Lang for the services of Hymns and Prayers conducted at the Dinham Wing. A thank you also to David Amery for his visits to Dinham giving Communion to the sick. Margaret, a big Thank you to you, your music is beautiful, it puts life into our church and it's so good to see you and Don supporting us brilliantly. Our Sunday School Room and Church is cleaned monthly by Right Touch Cleaning and our outside area is mowed by Nathan Jarrett when needed. In conclusion thank you ladies for preparing communion and beautifying our church with flowers.

*Meg Brown & Joy Birkin*

### **Corny Point**

Heather and Muriel form our little congregation who meet at the Corny Point Mission Church each month. The highlight of this last year was the visit of Bishop John Stead. It was as far as we can establish the first time the diocesan has visited the mission church and for Bishop John completed a visit to all of the active congregations in the diocese. We meet bimonthly on the Third Sunday of the even months at 2pm. If you are interested, why not have a day out, lunch at the always welcoming Howling Dog Tavern, then Church and a great tour home through our wonderful coastal scenery.

### **St John, Maitland**

Because we are an aging group and small in number and we are finding it difficult to open the church, the decision was made to reduce the number of Sunday Services to one per month. We thank the reverends Christine Smith and David Amery for their continued support.

### **St Christopher, Curramulka**

The Curramulka churches continue to work together adding St Raphael (Mount Rat) into the mix. We have farewelled Rosemary Eichner who has moved in with her son following illness and Pat Longbottom who has moved into permanent aged care. Only Muriel remains to continue the Anglican presence in Curramulka. Together with the Uniting Church the congregation has supported Louise in her work as PCW at the School.

## **St Mary, Edithburgh**

I'm pleased to report that June & Geoff Harrison are at last back in Sultana Point following Geoff's treatment. He is very frail, but is doing ok since being home. I ask for ongoing prayers for him and June.

Maintenance:

Mark & Heidi Johnston & Ron Watson have kept the grounds tidy; mowing, whipper snipping, weeding etc. Minor maintenance attended by Ron Watson. The annual electrical tagging will be completed by the AGM by Peter Hancock.

*June Harrison and Barbara Freidenfelds*

## **St Benedict, Minlaton**

We at St Benedict's have continued to be lead in our worship by the Venerable Andrew Lang, Rev Louise, Fathers Ted and David with our pastoral assistants Bev, Jill, Robert.

In November Rev Anne and Michael Ford moved to Burra after 20 something years in Minlaton. We thank them for their many years' service at St. Benedict's as Priest, Church Council members, Pastoral assistant, Warden and Michael's musical talents.

The weekly numbers remain steady between 24 – 30 each week.

We would like to acknowledge the work by Marilyn, Barbara, Amanda, Robert and Jenny for their music. Bev, Robert and Jill for their pastoral assistants and members of Mother Union, Bargains and Bits, Fund raising committee and R.O.B.O.S.

The fundraising group have catered for two funerals, made sandwiches three funerals, the Meals on Wheels luncheon and supper for the quiz night. Thanks to all who helped.

Thank you to all who clean, provide flowers, morning tea each week, sides persons, weekly readers, the ground keepers and gardeners. Bruce Cook and Greg Illman painted the inside of the old Church during the year. After some time and lots of work the amplifier and speaks seem to be working better along with the camera for the live streaming on the fourth Sunday.

Congratulations to Jill Huntley elected to Diocesan Council and Rev Louise Lang on being elected to General Synod.

We are very grateful for the bequest left to St. Benedict's by the late Mrs. Joan Correll and Mr David Walton.

This year four of our parishioners passed away. Condolences to their families.

We are blessed to have so many willing people to make our Church a very welcoming place to worship.

*Bruce Cook & Cheryl Carmichael*

### **St Raphael, Mount Rat**

Our services continue monthly. Despite our banner being displayed advertising the services, we haven't had a response.

We are supported by parishioners from Pt Victoria, Minlaton & Curramulka including now the Uniting Church who have changed their services to support us.

Everyone enjoys coming to our house after the service for morning tea.

*Di Reade*

### **St Alban, Port Victoria**

St Alban's is proud to still be the only surviving church in our quiet coastal village. To many of us this is very important. Port Victoria will be celebrating its 150th in 2026. Wouldn't it be great to still have our doors open at that time! I reckon there's a chance!?

We continue to have two services a month. We thank Rev David Amery, Rev Andrew Lang & Deacon Louise Lang for their ministry. Our Patriarch, Rev Peter Smith has been suffering ill health during the cold months & has been forced to only make spasmodic appearances.

Attendances have been low at most services. At times I try and bring my little Jack Russell, Randy along to boost the numbers! He always prefers the company of either Coralie Amery or Cynthia Smith! And of course, his ears prick up & his tail wags when the greeting of peace comes around! Every now & then, a visiting Anglican or interested Christian will appear & enjoy their time with us. My 93yo father Neil tries to attend as often as possible, however, he too has succumbed to the harsh wintry conditions & prefers to watch a favourite of my Mums, "Hymns of Praise"! He, like many of us, yearns for warmer weather. He does appreciate the excellent cropping season we are having, due partly of course to the cold, wet period we are experiencing.

We extend out hearty congratulations to David Amery on becoming President of the Rotary Club of Maitland. David is a very popular member of this vibrant club & it's good to see a local in charge! My father was a guest of David's at the recent changeover dinner at the Port Victoria Hotel. It was an excellent night & Dad slept well after a late homecoming!

I thank David for the warmth, love & care he extends to Dad. David's regular visits to him are thoroughly appreciated. As with everyone who lives alone, some sort of friendly social interaction is gold, even when the horses don't finish where they should!

I thank Todd Schulte for agreeing to keep the church yard tidy. Todd, Monique & the girls always brighten up our Sunday services.

We remember with fondness, Carlene Stone, who passed away recently, & extend our deepest sympathies to Peter.

I'm looking forward to our Ministry District service & AGM today. If we are to survive & hopefully prosper, I believe we need to focus, not only on our Christian faith, but also on our obligation to contribute to the cause. I am very sad we haven't found a replacement for our magnificent treasurer Bruce Cook. Perhaps we need to look to somebody outside of our regular attendees. You never know, there may be someone out there who is yearning for a little extra volunteer work. When they hear they don't have to be sitting on a pew every Sunday. It may be a kick starter?!

I would like to give you a story of what has happened in our SAAS over the past couple of years.

For a long time, Ambulance volunteers from everywhere have been begging the powers to be to create a job that enables people to be able to just drive an ambulance!?! They may not be really interested in the clinical side of being an Ambulance Officer but would love to be the driver. Well, that position is now available! It's called Ambulance Assist.

All you have to do to become an AA is to complete training in driving, using the radios & manual handling. How good is that?! Please have a think about it.

*Greg Twelftree*

### **St Neot, Port Vincent**

St. Neots had a steady year, Easter and Christmas had good attendance. We had a few visitors from time to time. We had one memorial service for David Eccles January. He is sadly missed as we are now down to two in our centre. We soldier on with caretakers of the church and the Trash/Treasure Op Shop has been our greatest income. There is a great band of ladies from Stansbury, Curramulka, Mt Rat with 6 locals, all on a roster. Our trading hours are Saturday 9.30am-12.30 pm and Tuesdays 10 am - 12noon. The trade on Tuesdays helps with income for Community Garden and Saturdays helps fund church needs.

The Community Garden was opened 3rd October 2021 by Bishop John Stead. There are 5 raised garden beds for Vegetables, there were plenty of tomatoes, cos lettuce, spring onions, herbs, rhubarb, beans silver-beet. We have had good feedback and have encouraged people to help themselves. There were repairs on 2 cracked windows. A Gazebo has been an added addition to the garden after opening day.

*Pam Biggs*

### **Point Pearce**

Our involvement with the folk at Point Pearce has continued over the last 12 months. We have been involved with Sunday worship and it was great to have some members from the District join in with the worship in late May where the focus of the service was reconciliation, it was good to have Bishop John and Jan share with us on the day. For most of 2021 Louise met with a couple of women in discussions, bible studies, prayer, discussions and considering forgiveness in Desmond & Mpho Tutu's book. She has also spent some time supporting the youth work helping with the food and preparations.

### **St Augustine, Stansbury**

- Meetings held: - SIA, District, MTS, Parishioners from St Augustine's.
- Combined service @ Community Church to assist SPS Chaplain.

- Attendances @ Fundraising luncheon @ Melville Hotel in Yorketown, opening of St Neot's garden in Port Vincent, fifth Sunday service in Maitland, January service @ St George's in Yorketown, pancake tea in Yorketown.
- Working @ Op shop in Port Vincent with Jenny & Dell.
- Sharing services with Uniting Church.
- Baptism in December for Mateo Joseph.
- Visit to ship from the Philippines @ Port Giles.
- Preparations for Sea Sunday service.
- Fundraiser for our church in the form of sausage sizzle & garage sale.
- Our thanks to Venerable Andrew & Revd. Louise for their services, also to Meg Bilney for playing the keyboard.

*Jan Henery*

### **St James, Warooka**

Bishop John visited Warooka in November and was able to pop in to visit one of our shut ins, Pat Butler. Post COVID, we have continued to meet although it has been a testing year with a number of cancelled services. Our congregation made up of Anglicans and Uniting Church and Wendy Koennecke on organ.

Restoration of St. James stage 1 finally took place over 10 days from 14.6.22 completing more than anticipated. Correlating with the lectionary reading on 22.6.22. The finishing topcoat called speckling blends in with the edging surrounding the church. Wayne Pring stone masonry work is said to last 100 years or the life of the building. The delays were caused by the difficulty in obtaining tradesmen. Thank you to the SYP Combined Vestry for guiding this program.

A special thanks to the Reverend Louise Lang for her regular provision of services over the year.

*JL Butler*

### **St George, Yorketown.**

- St George's were represented at the AGM at St Benedict's Minlaton on 22<sup>nd</sup> August 2021.
- Cheryl was successful in the voting for nominees to synod and attended synod on the 23<sup>rd</sup> and 24<sup>th</sup> Oct. 2021.
- On the 26<sup>th</sup> September a Fun Luncheon was held at the Melville Hotel, around 40 attended.
- Busy Bees were held at the Op-Shop following our ½ price sales at the change of seasons – March/April and September.
- Our Op-Shop continues to do well. We open Wednesday, Thursday, Friday and Saturday morning. Where possible we open between Christmas and New Year and during School holidays.
- Any excess clothing has been taken to Adelaide by Cheryl.
- Several of our parishioners have joined Louise Lang at St Mary's Edithburgh for Book Club.
- We have held Morning Prayer Services on the 2<sup>nd</sup> and 4<sup>th</sup> Service and a HC service on the 3<sup>rd</sup> Sunday. On the 1<sup>st</sup> Sunday we have the option of attending St Mary's for HC.
- Our Services of HC have been taken by Reverend Andrew, David Amery and Ted Horne with Morning Prayer taken by Cheryl and Louise Lang.
- Some of our Parishioners attended the 5<sup>th</sup> Sunday at Maitland held in the Maitland Town Hall, followed by a pooled lunch.
- A big thank you to Ron Watson who scraped, sealed and painted our front doors.
- We were represented at the 9 lessons and carols service at St Benedict's.
- St George's had an 8 am Christmas Day service.
- Peter Harris mowed our church yard until his retirement. Jarred Dalton has taken over the mowing. Daniel Goldsmith has done some weed spraying and Cheryl has been responsible for emptying the green bin. Our Agapanthus have provided some colour in the summer.

- Cheryl arranged for the Fly Man to spray the church and the Op-Shop.
- Barbara Murphy donated a large Ceramic pot to put in front of the Op-Shop after our pot and Cordyline plant disappeared. May's Nursery donated plants for the new pot.
- A Harvest Thanksgiving Service held at St George's on 30<sup>th</sup> January 2022.
- 6<sup>th</sup> February we attended St Mary's and heard Frances Cook speak.
- Pat and Cheryl attended Min. Dist. Mtg. on the 6<sup>th</sup> February and Tea supplied by the Langs afterwards.
- On 14<sup>th</sup> February our Op-Shop Volunteers luncheon was held at the Hotel, Edithburgh. 22 Attended, a nice meal was served, and the drinks were donated by one of our own.
- Pancake Tea 2<sup>nd</sup> March – With help from St James and St Mary's another successful evening, with special promotion help from Barbara Murphy. Just over 50 attended.
- 3<sup>rd</sup> March Andrew took an Ash Wednesday service.
- 5<sup>th</sup> March we hosted World Day of Prayer with the help of St Mary's. 22 Attended from Uniting, Lutheran, Catholic and Anglican. Afternoon tea served in the Op-Shop.
- Lenten Reflections held at St Mary's.
- Cheryl attended LLM meetings throughout the year. Since Bishop John's retirement Cheryl is helping on the nominators committee to select a new Bishop.
- Wendy Luke is now a resident of Melaleuca Nursing Home, Minlaton.
- On 5<sup>th</sup> April, following a short illness we lost one of our dearest parishioners in Judy Collins. Judy's very large funeral was taken by Mark Sibly (a close family friend) at St George's.
- On the 8<sup>th</sup> May we attended St Mary's - This was Barbara Murphy's final service with us before she returned to Canada. Due to covid we have had Barbara with us for 2 and ½ years and we do miss her.
- In early May we were advised that Pam Murdock had purchased a unit in Adelaide and would be moving there to live. Pam has donated a lot of Household goods to our Op-Shop and also she very kindly donated her Electric Organ to St George's.
- On the 24<sup>th</sup> April, Cheryl, Sue and Pat attended a service at St Benedict's. Bishop John attended, and this was one of his final services in our Ministry District.
- St George's made up a table at the Quiz night held at St Benedict's on the 4<sup>th</sup> June. This table was the successful winner.
- Cheryl continues to supply music for our services with her "gadgets"
- We are happy to report that we have given Tape Electrical permission to go ahead with the Air conditioning of our Op-Shop

## **Mission to Seafarers**

Twenty-four ships arrived to load grain to be taken to ports all over the world. Approximately twenty nationalities saw seafarers from far and wide work on the ships in many different roles.

Unfortunately, due to COVID 19, seafarers we're not permitted shore leave until June 2022. This was short lived though as due to the increase in COVID in Australia, the risk of seafarers taking the virus back to a ship meant shore leave was again refused. We saw only 12 men come ashore during the short interval.

As we could not board the ships to talk to the crews, we were confined to the wharf. As a result, we continued to provide Care Bags of essential toiletries and treats such as chocolates and chips and of course a beanie. Every seafarer arriving at Port Giles was given a Care Bag by leaving them at the gangplank of each ship. At Christmas and Easter extra gifts and goodies were given. Thank you to all who donated goods and also to all who helped pack the goodies.

Occasionally we had requests from seafarers to do some shopping for them. We certainly had some interesting requests. The goods were delivered to the wharf and payment exchanged in US dollars.

The Annual National MtS Governance Survey was completed, and the committee decided to alternate the committee meetings in Policy & Procedures or Business meetings. As a result, our centre now has necessary policies in place.

Zoom meetings enabled us to keep up to date with MtS news and information from around the world as did regular emails and newsletters. A two-day 2021 Australian MtS conference was held successfully via Zoom.

At our AGM the Committee remained the same which is good for continuity.

The committee is beginning to research the history of Port Giles, a purpose-built port, with the intention of making a display at the Flying Angel Centre.

We had a stall at the Stansbury Market and gave a few presentations to various community groups.

Sea Sunday was celebrated in July with Fr David Amery.

A wreath was laid at the Anzac Day Service in Edithburgh in remembrance of seafarers lost at sea.

Adam Harrison made gates for the alfresco rendering the Flying Angel Centre secure. Blinds we're installed making the alfresco more comfortable during difficult weather.

We were fortunate to be given many Bibles and Christian books, some from the Yorketown Uniting Church, which we were able to include in the Care Bags.

Thank you to Mark Johnston, Ron Watson and Geoff Harrison for carrying out maintenance and gardening. Thank you to our Committee members for maintaining the centre in great condition. And thank you to all who've donated time, money or goods, especially the ladies who knitted beanies or made bags, to enable us to cater for the welfare of seafarers during this difficult COVID time.

### **Bargains and Bits**

I am pleased to report another successful year for the Op shop thanks to our volunteers and supporters.

Shop sales were \$24,734.80, which is approximately \$500 less than the previous year but still a pleasing result. We continued to make monthly payments of \$1,000 to St. Benedict's Church.

Money was not given to Missions this year as repairs to the shop building and maintenance of the old church interior were given precedence. The old church looks much brighter inside after repairs and painting were carried out by Greg Illman and Bruce Cook. The working environment was further improved by lighting adjustments.

Due to the miss-match and deterioration of the exterior cladding of the whole shop building, the committee decided to ask for quotes to reclad and reroof the rear lean-to of the building which had been leaking, and the main body of the building separately. We were aware the amount needed for both jobs could exceed our resources. The quote to repair the lean-to at the rear of the building was accepted and work was done late 2021. We also accepted a quote to reclad the remainder on the building when money from Joan Correll's bequest became available. The quotes were \$4,998.05 and \$16,188.16 respectively. (The recladding of the main body of the building commenced in the new financial year.)

A new blind on the eastern window of the shop to replace the sun damaged curtain was purchased, it was installed by Bruce Cook and Robert Kidd. New storage tubs to fit the cube shelving and prevent access by mice to goods for sale, were also purchased.

Donations to Missions will recommence next financial year. Finally, I would like to thank the whole Bargains and Bits team and supporters for their untiring effort throughout the year.

**Mother's Union** – no report

**Men's Breakfast**

The Men's breakfast program has continued to struggle following the return from COVID restrictions. Numbers are gradually building, and we are attempting to promote it as an ecumenical venture. We thank Louise Lang for her organisation and cooking of a wonderful breakfast.

**Soup Luncheon**

On the fourth Wednesday of the month, St Benedict's offers a Soup lunch for all comers. There is a choice of two soups with a bread roll for the sum of \$6. This provides a casual opportunity for fellowship. We would love to see a few more of our Parish family and friends joining us

**Robos** (*Reaching Out Beyond Our Shores*)

An uneventful twelve months for the group – unfortunately our major fundraiser normally held on Australia Day in January, was cancelled because of Covid Health concerns.

No disbursements were made during the year – the only transaction being a donation of \$250 due to the generosity of Cheryl & Greg Carmichael.

Account balance stands at \$3321.69

In July this year, the committee agreed to pay postage for all parcels sent to South Africa by Sue Leverton for the Knit-A-Square project – one that our group has supported in the past.

Finally, I would like to move that we agree to appoint Don Sims to continue as verifier of our ROBOS books.
